In order to be successful in Math 1 you will need to do the following:

1. Be prepared every day with all class materials
2. Review your notes at night
3. Complete all class assignments and homework
4. Study for all test and quizzes
5. Come to class every day with an open mind, ready to participate
6. Follow all class and school rules

Materials: The following materials need to be brought to class everyday:

- A positive attitude!
- Loose-leaf paper
- Graph paper
- Module workbook
- Pencils (no pens)
- Personal calculator (optional)

Classroom Rules:

- Be responsible
- Be respectful

Grades:

<u>Grading Scale</u>		Major (Tests / Projects / Performance Tasks)	50%
100 – 90	A	Intermediate (Quizzes)	35%
89 – 80	B	<u>Minor (Homework / Classwork / Spirals)</u>	15%
79 – 70	C	Total	100%
69 – 60	D	*** EOC counts as 20% of yearly grade ***	
59 and Below	F		

Late/Missing Work: It should be your goal to get all of your work completed and turned in on time. Late work automatically loses points.

What if I am absent? If you are not in school on a day that an assignment is due you will not lose points for that day, but it is your responsibility to turn in your work the day that you return to school. If you are absent check my website to see what you have missed.

Parent Communication: Please refer to my classroom websites for overviews of instruction.

Email: If you have any questions or concerns, please feel free to email me at lotten@wcpss.net

I am looking forward to having you in my class! I will do everything that I can to make sure that we have a fun and successful school year, but it will take all of us working together to achieve that!
